The Fenian Senate.

New York, Oct. 28.—The Senate of the Fe-
nian Congress assembled to-day, at the Astor
House, the Chair being occupied by the Presi-
dent, Col. Wm. R. Roberts.

The session, as hitherto, was strictly private,
and the attendance was confined to members. It
is ascertained, however, that the principal busi-
ness transacted was in relation to the sale of the
bonds of the future Irish Republic, which will be
ready for delivery next week. Several of the
members stated that they had received pledges
from prominent citizens that they would sub-
scribe for the bonds in various amounts.

The Senate intend to establish its headquarters
permanently in a large hall in this city in a few
days.

Spanish war vessels have been dispatched for
that purpose.

HOUSTON, Oct. 28.—A locomotive on the Eastern
Railroad, while waiting for a train at Port
Smith, N. H., exploded to-day, killing Charles
Hath, fireman, and causing considerable damage
to the engine-house.

Great Oaks From Little Acorns
Grow.

The most diseases known to the human race spring
from causes so simple as to almost defy detection.
The volumes of scientific lore that fill the tables and
shelves of the medical fraternity only go to prove and
elaborate these facts.

Then guard yourselves while you may. The smallest
pimple on the skin is a tell-tale and indicator of disease.
It may fade and die away from the surface of the body,
but it will reach the vitals, perhaps, at last, and death be
the result and final cause. Mergel's Bile Beans, and
Mergel's Pills cure where all others fail. While for
Barnes, Seale, Childs, and all other ailments of the
skin, Mergel's Pills are infallible. Sold by J. Maggill, 43
Fulton street, New York, and all Druggists, at 25 cents
per box.

be, read the following certificate from gentlemen well
known in the community, and doubt no more.
